RE: Invitation 2010 IPMA Executive Seminar

Dear IT Manager:

The purpose of this letter is to provide you with information on the plans for the 2010 IPMA Executive Seminar. The theme for the seminar is *Where Government and Technology Management Meet*.

Our agenda is very strong in this year of change. Our speakers include Dr Arun Raha (Economic Forecast), Sally Alhadeff (Data Center project), Jerry Johnson (Pacific Northwest Labs), Ed Sherman (ACCIS) etc. Topic content will be focused on a mix of state IT business and future technology directions and initiatives. For a complete agenda go to the IPMA website at: <http://ipma-wa.com/event/2010-ipma-executive-seminar>

We are back at Campbell's Resort in Chelan from Tuesday, September 28th through Thursday September 30th.

Registration is free for one person from each agency chosen by the director and \$695 each for additional agency attendees payable to IPMA. The registration fee covers the seminar fee, two (2) nights lodging and meals for Tuesday night through Thursday breakfast.

IPMA is providing free bus transportation to and from the Seminar. The seating is limited and you will need to indicate your interest at the time you register.

This is the State of Washington's premier IT executive networking event. We have some very important, thought provoking topics planned for this year's program.

Please take a second right now and complete your registration form. Your invoice will be printed as you submit your registration. Our registration process will be conducted at a website hosted by Eventville. It is located on Eventville's website at:

<https://www.eventville.com/catalog/eventregistration1.asp?eventid=1007156>

If you cannot attend or you feel that there are additional individuals in your organization who would benefit from this conference, please feel free to forward this invitation to them for their consideration.

We look forward to your responses and hope to see you in September.

Sincerely,
IPMA Board
